

WOMEN IN LEADERSHIP: **DRIVE**

Are you ready to progress your career? Drive is a 1-day, high-impact program designed for aspiring female talent in the early stages of their career. This program provides the essential tools and strategies to help women take control of their professional journey and accelerate their career growth.

Bonus: Enjoy complimentary membership to the Women in Leadership Alumni network, providing ongoing support and networking opportunities.

Invest in your future and start driving your career in the right direction. Don't miss this opportunity to gain insights and tools that will set you on a path to success.

PROGRAM DIRECTOR

Dr. Zsuzsanna Tungli is the Managing Partner at Developing Global Leaders Asia and serves as the Academic Director for London Business School's online program "Building Diverse and Inclusive Teams: DEI Strategies for Leaders".

Developing Global Leaders Asia specializes in leadership development, offering consulting, training, and coaching to foster inclusive, globally competent leaders and sustainable cultures. Since 2016, we've delivered 30+ Women in Leadership programs, with 100% of participants recommending them for their lasting impact.
